## POISONED BY PRICKING PIMPLE

With a Pin—Inflammation Set In and Itching, Pain and Swelling Followed—Unable to Rest Day or Night—Suffered Six Months—Relieved in a Day and Wholly

## CURED BY CUTICURA ON SISTER'S ADVICE

"Several years ago I had a little pimple come between my ankle and knee. I opened it with a pin which caused it to inflame. In a short time my limb was so poisoned and swollen I could scarcely use it. I suffered intense pain, being unable to rest day or night. I tried every remedy recommended, consulted several specialists but grew worse all the time, finding no relief in anything. "My sister recommended the Cuticura Remedies. I began using the Cuticura Remedies according to directions and I was so much relieved that I slept some the first night. The itching, burning and swelling in my limb gradually decreased and the sore began to heal. After six months' suffering such as I had endured, the relief was wonderful. I continued the treatment several weeks and a permanent recovery was the result. I shall ever recommend the Cuticura Remedies to anyone suffering from blood and skin diseases. M. D. M. May, R. F. D. 5, Goldsboro, N. C., Oct. 25, '09."

### A. & M. ATHLETICS BREAK NEW RECORDS

All Track Men Practicing For Approaching Federation Meet—Hay Barn Burns.

Agriculture College, N. M., April 27.—Track men are becoming enthusiastic and more are coming out for this line of work every afternoon. Redding broke his territorial record at the 12 pound hammer throw in practice and it looks as if the present pole vault record stands there is a good chance of it being raised at one of the coming meets. At the last tryouts the time made in the quarter mile, the half mile and the mile runs were satisfactory, and with two weeks more of training before the big meet, the college should easily take places in all of these events, if it does not get first place.

There is some talk of not having the hammer throw, the two 20 hurdles, the two 20 dash or the half mile run in the federation meet, but it has not been definitely decided that these events will not be used. The track men are being put through regular scheduled work each afternoon by coach Kruger and are developing rapidly under his coaching. The track is being worked.

One of Turner's big alfalfa barns near Old Mesilla has burned down. Friday of this week is the day set for the local track meet and that evening for the annual field day ball.

## CITIZEN PRINTER NO MORE; DIES AT LAS CRUCES

Las Cruces, April 27.—Yesterday afternoon marked the passing into a better life of an old-time printer and newspaper man, when C. R. V. Duchamp, of the Rio Grande Republican staff for about a year and of the Las Cruces citizen during the last seven months, died.

Duchamp was taken sick last Wednesday with a severe attack of grip. Cases of recovery were most favorable till Friday when he made the mistake of going out on the street. He was stricken with pneumonia and Dr. R. E. McBride's strenuous efforts to save him were unavailing.

Duchamp was born of French parentage and his rhymes and other writings all bore evidence of that fineness so characteristic of Americans of French descent. He was a great lover of children and a staunch supporter of what he believed to be right. He boasted and I was at every opportunity and often said he would rather live and die here than any place on the globe.

He was born at New Orleans 54 years ago, where he learned the printing trade, spent ten years in Kentucky, then went to Texas and edited several weeklies, the last being the Yonkurt Times. His interment will take place today.

**ARRANGES FOR STARTING MINING COMPANY ONCE MORE**

## Obnoxious Catarrh

Breathe Hyomei—Kill the Germs and Prevent Disease.

Today, right here in these enlightened United States, there are ten millions of people suffering from vile catarrh and its disgusting symptoms. Just because they have not energy enough to arouse themselves and get rid of the germs that cause catarrh.

Catarrh robs its victim of energy—some physicians say of will power. That may be the reason why thousands of catarrh sufferers haven't ambition enough to accept this fair and square offer by Kelly & Pollard, which they make without any whys and wherefores or red tape of any kind.

Kelly & Pollard say "they guarantee Hyomei to cure catarrh, acute or chronic, or money back," and that offer is open to every reader of The Herald.

Hyomei (pronounce it "High-o-me") is the purest Australian Eucalyptus combined with Thymol and other germ killing antiseptics.

Pour a few drops into the small vest pocket Hyomei Inhaler and breathe it into the lungs over the inflamed membrane infested with catarrh germs.

It is pleasant to use—it kills the germs, soothes the sore membrane, and cures catarrh; if it doesn't your money back.

A bottle of Hyomei costs 50 cents at druggists everywhere, and at Kelly & Pollard's. A complete outfit, which includes a bottle of Hyomei, a hard rubber Inhaler and simple instructions for use costs \$1.00. Mail orders filled by Booth's Hyomei Co., Buffalo, N. Y.
